Me're New Here 100.

Biblical. Relational. Missional.

We're New Here Too.

We are new to this place. Many of us have moved here pursuing jobs, opportunity and a new start. We were brought together out of the desire for community. We realize that many others who have moved here recently also desire to be connected and that is difficult to develop overnight.

Frisco is one of the fastest growing cities in the U.S. and we join other churches, the Frisco Independent School District, and In-N-Out Burger to make this a wonderful place to live.

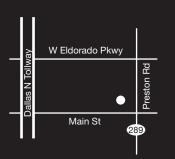

We believe this is best done by loving God, living out the teachings of Jesus, and loving our neighbors.

Email us at friscofieldschurch@gmail.com for more information.

We invite you to join us for our preview service September 18 @ 10:00am and meet some of your neighbors.
